The Awards Luncheon is a wonderful opportunity to recognize achievements and network with families and EMC professionals from academia, industry, government, military, and retired sectors. The event will start off with a catered sit-down meal. Afterwards, the EMC Society will take time to recognize members and non-members for their contribution to the Society and for professional excellence.

The list of anticipated awards:

- EMC Society President’s Memorial Award
- Richard R. Stoddart Award for Outstanding Performance
- Lawrence G. Cumming Award for Outstanding Service
- Hall of Fame Award
- IEEE Fellow Award
- Technical Achievement Award
- Honored Member Award
- Richard B. Schulz Transactions Prize Paper Award
- Motohisa Kanda Award for Most Cited Transactions on EMC Paper
- Best Symposium Paper Award
- Best Symposium Student Paper Award
- Best Student Design Award
- IEEE James C. Kouda Memorial Scholarship Award
- Chapter Founder Award
- Most Improved Chapter Award
- Chapter of the Year Award
- Symposium Chair Award
- Certificate of Acknowledgement
- Certificate of Recognition
- Certificate of Appreciation

Cost: $65
NEW ORLEANS COOKING SCHOOL TOUR

TUESDAY, JULY 23, 2019
9:30am - 12:30pm

New Orleans School of Cooking – Have a great time enjoying a cooking demonstration by skilled, entertaining chefs who will prepare you a classic Cajun/Creole meal while you learn about the vibrant history of New Orleans cuisine in the famous French Quarter. The EMC Symposium is offering a group opportunity for learning about the fun, food and folklore of the French Quarters of New Orleans. Watch expert chefs prepare your lunch, New Orleans style. This is a cuisine demonstration class just for EMC Companions. Come enjoy lunch in the famous French Quarter! We will be walking to the New Orleans School of Cooking from the Hotel - a short 15-minute walk! Guests will receive recipe cards with all the food demonstrated!

Please meet at the Companion Room (29th Floor Lounge at Hilton New Orleans Riverside) by 9:30 am sharp.
Note: Please let us know of any dietary restriction no later than July 8th. There will be a $5.00 surcharge for dietary restrictions.

COST: $36

NASA STENNIS SPACE CENTER: Pearlington, Mississippi

FRIDAY, JULY 26, 2019
9:00am - 3:00pm

A short forty-five minute drive from the New Orleans Convention Center is INFINITY Science Center, a state-of-the-art science and space educational facility and visitor center. A pre-registration gets you a spot on not just a bus trip there, but also a reserved guided bus tour of Stennis Space Center itself, a 14,000 acre restricted research facility that houses America’s largest rocket engine test facility. This facility has a rich history – it was built in the 1960’s to test the historic Saturn V engines that took humanity to the moon – and in the modern day it is the home of a vast array of federal, state, and educational agencies, including the largest concentration of oceanographers in the entire world.

The Stennis tour is scheduled for Friday, July 26, 2019. The tour is limited to 55 people at a cost of $30 Advance per person by June 19 ($40 Regular per person after June 19) and is available on first-come, first-serve basis. In addition to the reserved guided bus tour, participants will be able to enjoy a self-guided tour of the visitor center and eat lunch at the cafeteria (lunch not included in the price).

The bus will depart from the New Orleans Convention Center Hub, outside Hall G, promptly at 9:30 am, with bus loading to start 9:00 am. Be sure you are on time as there are no refunds if you arrive late and miss the bus. The bus will return to the New Orleans Convention Center Hub, Hall G entrance at approximately 3:00 pm. Note that the guided bus tour is available for those on the bus ONLY; you cannot drive a private vehicle to the Stennis Space Center to take this special tour. However, INFINITY Science Center self-guided tours are open to walk-ins.

For more information on Stennis Space Center and the INFINITY Science Center, visit www.visitinfinity.com

IMPORTANT SECURITY REGULATIONS
• Individual guests older than 18 must present a valid photo ID; those younger than 18 must be accompanied by a parent or guardian.
• Non-US citizens must present a valid passport from their country of origin, or a permanent residence card, if applicable.
• Backpacks and large bags are NOT PERMITTED; all other bags are subject to search.

COST: $40

VISIT THE EXHIBIT HALL
HALL D - 1ST LEVEL

Tuesday, July 23 • 10:00AM-5:00PM
Wednesday, July 24 • 9:00AM-5:00PM
Thursday, July 25 • 9:00AM-12:00PM

COMPANION PROGRAM | WWW.EMC2019.EMCSS.ORG | 3
The Committee for the 2019 IEEE International Symposium on Electromagnetic Compatibility, Signal and Power Integrity is excited to announce that there will be a Youth Program again at this year’s Symposium!

Former Youth Programs have focused on the introduction to the world of Amateur Radio, Communications, Solar Energy, Electromagnetic Compatibility and the building of electrical gadgets using electronics kits that were provided to the participants. These great kits included basic electrical components that were used to build electronic devices and we are sure that everyone involved enjoyed using them at home!

We encourage all interested participants to register for the Youth Program so that adequate materials can be prepared. The Youth Program is recommended for ages 8 to 19. Younger children are welcome if accompanied by an adult or older, responsible sibling.

Stephanie Zajac, Youth Technical Program Chair, stephzajac@gmail.com

For additional information, please contact:
John LaSalle (john.lasalle@ieee.org) or Ray Adams (r.k.adams@ieee.org)

New Orleans Streetcars are a fun, convenient and inexpensive way to get around town. One-way fares are $1.25. Buy 1, 3, 5 or 31-day “Jazzy Passes” on the Norta GoMobile app, in RTA Ticket Vending Machines (TVMs), select vendors, or online (good for both streetcars and public buses). Route maps, timetables and purchase are available at www.norta.com/Maps-Schedules/System-Map. Streetcars are NOT air-conditioned, so bring your water bottle.

The Hop-On/Hop-Off Bus is also available for an entertaining and informative city tour. Adults tickets are $39 for a 1-day pass or $49 for 3 days. www.bigeasy.com/attractions/hop-on-hop-off

SHUTTLE SERVICE: There will be an air-conditioned Shuttle Bus from the Hilton New Orleans Riverside to the Convention Center starting Sunday, July 21 through Friday, July 26. The shuttle will run from 6:30am to 6:00pm each day and will ONLY be available to those staying at the Hilton Riverside Hotel.

INTERESTED IN EXPLORING SOME OF NEW ORLEANS ON BIKE WITH YOUR FELLOW EMCS MEMBERS?

TEAM EMC BIKE RIDE

THURSDAY, JULY 25, 2019
7:00 am

Please join us for a leisurely morning ride to get some exercise and to experience part of the area in a refreshing way. This year we will host two levels of escorted riding: leisure and performance.

A Team EMC jersey will be included for 1st-time participants on a first come first serve basis, while quantities last. If you received a jersey on one of our past rides, please don’t forget to bring it with you. It is the responsibility of the rider to arrange the rental. Please plan on renting the bike the night before the ride since bike shops typically don’t open until 10:00 AM. You will need to provide the type of bike you want and size (or your height if you don’t know). Cycling helmets are required. If you want to use your bike shoes and need clipless pedals you can bring your own. You are also welcome to bring your own bike. This is an open ride, so no need to sign up. Simply show up ready to ride.

For additional information, please contact:
John LaSalle (john.lasalle@ieee.org) or Ray Adams (r.k.adams@ieee.org)
